Town of Davie
Charity Animal Fashion Show and Open Horse Show
To Benefit
Friends of the Davie Farm Park, Inc. and Project Stable Foundation, Inc.

Friends of the Davie Farm Park, Inc.

Friends of the Davie Farm Park, Inc. is a not for profit organization that was created by residents and agricultural enthusiasts interested in preserving our agricultural and historic roots.

The purpose of Friends of the Davie Farm Park, Inc. is to assist the Town of Davie with raising funds to help develop and manage Governor LeRoy Collins Farm Park. The park is located on Shot Gun Road and Post Road and encompasses 84 acres.

The Park will include facilities for education, programs for adults, research, nutritional programs, environmental programs, community gardens, a farmers market and programs for special needs children. The Governor Leroy Collins Farm Park will be unlike any other park in South Florida, and will provide an unparalleled opportunity for youth and community programs, as well as a location for families and schoolchildren to gain experiential learning about agriculture.

Project Stable

Project Stable is a non-profit organization dedicated to the needs of special children. Our programs help both the physically & mentally challenged to overcome their disabilities and improve their lives and the lives of their families.

Our equestrian/farm based program uses hands-on experience with the animals and the environment to create a living classroom. Our instructors and volunteers are specially trained to guide children to their best level of achievement while keeping their self-esteem and personal safety as a priority. The program builds character by reinforcing the positive improvements that students make by rewarding their success.

Project Stable has been serving the Southwest Broward Community for the past twenty years. During this time, we have touched the lives of over 6000 students and volunteers. Annually, Project Stable participates in a holiday program for children with AIDS. This year 75 students had the chance to ride a horse and experience something they may never get the chance to do again.

Our program also offers opportunities for high school and college students to receive community service credit and understand the importance of working with special-needs children.

Animal Fashion Show and Open Horse Show sponsored by The Town of Davie, benefiting Project Stable and Friends of the Davie Farm Park.

Sunday, June 8th, 2014 @ 9:00 AM
