Section Update:

Page 35/Section 3.9 "DISPOSAL OF WASTE" has been updated as follows (Underlined indicates added language):

3.9 DISPOSAL OF WASTE

It is the bidder(s) responsibility to become familiar with the existing conditions of the building and the surrounding area that is included in this bid, to assist them in determining the type of equipment necessary to successfully provide the specified services. The Town of Davie has an Exclusive Solid Waste Franchise Agreement with Coastal Waste & Recycling for the collection and disposal of all solid waste including construction and demolition (C&D) debris as defined within Florida Statutes Chapter 403. Please see Section 1.98 of the General Terms and conditions for additional information. All materials to be placed in the containers provided by Coastal Waste & Recycling. Coastal Waste and Recycling will haul away all construction/demolition debris including recovered materials. The contractor will not be able to haul away any construction/demolition debris or recovered materials. **Coastal Waste & Recycling will bare the cost of hauling away construction/demolition debris. The cost of the Coastal Waste & Recycling containers (excluding Asbestos and any other unacceptable waste or contaminated material) will be borne by The Town of Davie. Costs associated with containers to remove Asbestos and any other unacceptable waste or contaminated material will be borne by the contractor. In addition, the Town has a contract with SA Recycling. The contractor shall place recyclable scrap metal in the containers provided by SA Recycling, including, but not limited to air conditioners, railing, refrigerators, coolers, or any other ferreous material.**

RFI:

Q. 1: Please confirm if the cost of the Coastal Waste & Recycling containers will be borne by the Town of Davie, or by the contractor.

A.1: Please refer to above update on section 3.9 "Disposal of Waste."
