

WHAT IS "CORE"?

The Town of Davie's Corporate Outreach Retention & Engagement (CORE) program is a business resource designed to build relationships with industry leaders operating within the Town.

Through CORE, business leaders can connect one-on-one with Town leadership in an on-site visit. This opportunity opens doors to discuss goals, challenges, workforce development, physical expansion and industry trends that help us better understand the needs of our business community.

WORKFORCE DEVELOPMENT

Discuss any goals and obstacles regarding recruitment, retention, and job growth, and discover the Town's resources.

GROWTH & EXPANSION

Discuss business development growth and possible expansions to see how the Town can help!

CHALLENGES & OPPORTUNITIES

Inform the Town of the challenges and opportunities your business has encountered and learn about ways the Town can facilitate in finding resolutions.
